

【 Important Notice for Visa Applicants 】

1 The visa restrictions have been lifted since October 11, 2022 and the situation on the visa issue has been back to the way it was before the pandemic. The visa exemption measures have been resumed as well.

2 The UAE is one of the visa- exempted countries, and the UAE nationals who arrive in Japan in October are required to do the pre-registration on their ordinary passports to enter Japan,

From November 1, 2022, UAE nationals who wish to stay in Japan for 30 days or less, will not be required to do the pre-registration any longer to enter Japan.

3 Please check the details about Visa and Entering Japan on https://www.uae.emb-japan.go.jp/itpr_en/visitingjapan.htm

4 Any inquiry regarding the Japanese visa application, please contact Japan Visa Information Hotline. (From UAE, 24 hours / 7 days a week, English only).
